The following alloys contain chemicals subject to the reporting requirements of section 313 of Title III of the Superfund Amendments and Reauthorization Act of 1986 and 40 CFR part 372. If you repackage or otherwise redistribute these alloys to industrial customers, a notice with this information must be sent to those customers. If you are unsure whether you are subject to the reporting requirements of Section 313 of the Emergency Planning and Community Right to Know Act (EPCRA, 40 CFR 372), reference the TRI Home Page at www.epa.gov/tri.
